OUTDOOR MARRIAGE CEREMONIES

You can now have your wedding outside the hotel in a designated area within the grounds, weather permitting! You will need to book one of our Licensed rooms to make your legal declarations and also as a plan "B" in case of bad weather. The Hotel will make the decision on the day, dependent on the weather, if the ceremony is outside or in the licensed room.

In most respects your outdoor ceremony will be no different to the one held indoors – with all the expected elements such as an exchange of vows and rings, readings etc. However, for legal reasons there will be minor changes to the format of an outdoor ceremony.

In England and Wales for a marriage to be legally recognised, a short but important part of the ceremony- the *Declaratory and Contracting words* – Must be spoken by the couple within a licensed room. To meet this requirement you and your chosen witnesses will be invited by the registrar to go inside to the licensed room to perform this element of the ceremony, which will only take around 10 minutes then you can re-join your guests. Once you've spoken the Declaratory and Contracting Words you are legally married and are then able to sign the marriage register and receive your marriage certificate. This can take place inside the licensed room or outdoors – depending on your preference and the weather. You may also choose to say the Declaratory and Contracting words outside if you wish.

When booking with Cheshire West and Chester's Registration service, you will be issued with a guide and they will talk this through with you.

ARRANGING FOR A REGISTRAR TO ATTEND THE WEDDING

As soon as couples have made provisional arrangements for a marriage to take place at approved premises, they must contact the Ceremonies Officer, Chester. On the day of the marriage, two Registrars will attend, one to conduct the ceremony and the other to register the marriage.

Registrars can be booked up to twenty four months in advance, and should be booked as early as possible. The marriage cannot take place without the presence of the Registrars.

THE MARRIAGE CEREMONY

The Superintendent Registrar who will be attending on the day must approve the arrangements for and the content of each marriage ceremony in advance.

Alcoholic drinks are not allowed during the Wedding Ceremony in the licensed room or if outside, in the designated area of the grounds, for one hour before and during the ceremony.

Please note that, by law, only a civil ceremony is permitted; any music, reading words or performance, which form part of the ceremony, must not be of a religious nature. The superintendent registrar will be happy to offer advice and guidance to couples that wish to personalise or enhance their marriage ceremony.

Wedding Etiquette

When planning your wedding there are lots of questions, so this page is designed to help answer a few! Simply for guidance purposes and need not be followed should you prefer less formality or just want to do your own thing! It's your day!

TOP TABLE SEATING ARRANGEMENTS

The Top Table should comprise the wedding party only but should you wish any other guests to be seated here they should be seated on either side of the Wedding Party.

----------	---------------------	---------------------	-------	-------	---------------------	---------------------	------------------

TOP TABLE LAYOUT

THE RECEIVING LINE

It is advisable to limit the receiving line to; Brides Mother, Brides Father, Grooms Mother, Grooms Father, Bride and Groom.

Guests move along the receiving line, shaking hands with each member of the wedding party in turn.

THE WEDDING BREAKFAST

When all the guests have passed through the receiving line and made their way to the appropriate tables, the Duty Manager – Toastmaster, will request everybody to stand to receive the Bride and Groom.

The Duty Manager – Toastmaster, then leads the Bride and Groom to their places at the Top Table, then requesting everyone to sit. The Meal is now served.

THE CUTTING OF THE CAKE

If you require your wedding cake to be served with your coffee it is normally cut after the main course is cleared. The Duty Manager – Toastmaster will make an announcement for the Bride and Groom to cut the cake. Testimonials

Stacey and Bradley

Myself and my husband had our wedding at the Forest Hills Hotel on 26th October 2016 we had the most perfect day. All the staff that were involved made our day, so special from helping with the planning leading up to our day to the day we checked out as husband and wife. We would love it if our pictures were used in your upcoming brochure. Our photographer was Heather Elizabeth Photography.

Kayleigh and Liam

We had our wedding in May this year and thanks to the sun coming out we were privileged to have the first ever outdoor wedding at Forest Hills Hotel, it was beautiful from start to finish. Kieran, the duty manager on the day, went above and beyond and made me feel so at ease, which is exactly what I needed! So thank you to Kieran and to all of the staff behind the scenes who worked so hard to make our special day perfect. Forest Hills is a very special place to us as we got engaged here 11 years ago on the day we got married, so it's always been my dream venue and they definitely didn't disappoint. Our guests that stayed overnight couldn't fault the hotel and everyone commented on the beautiful views. So thank you Forest Hills for making our special day, the best day!

Kelly & Garry

Wow, well what can I say, this hotel is the bestest place to have your wedding. I got married there in October this year and me and my hubby couldn't have asked for a better team. All the staff were absolutely fab, they made us feel really welcome and special, couldn't do any more for us than they did. The guy who got us through our day, Kieran, the Duty Manger was 100% spot on with everything. This guy was amazing so thanks to Kieran as well, you were brill and thanks too all the staff and people who were involved with our wedding, especially Nicole Barton and Tracey the wedding planners at Forest Hills Hotel, Frodsham, I couldn't fault these girls, they were brilliant.

Gemma and John

I couldn't have wished for anything more from our wedding venue. From the build up to the wedding day itself, the service we received from Forest Hills was second to none. We want to give a massive thank you to Kieran who was exceptional on the day. He kept us both relaxed and could not do enough for us. Kieran even stayed later than intended and came in to let us and the photographers know to go and get a shot of the sunset - and we are so glad he did as the photos are amazing! We could not recommend Forest Hills enough to future bride and grooms. We have had so many great comments from our guests. Thank you all so much, such amazing memories from here to cherish forever.

Wendy and Colin

Couldn't recommend this hotel enough for a Wedding. From the start of planning everybody we spoke to was so helpful and friendly and nothing was ever too much trouble. With a wedding planner just an email away it sure helped my nerves as our questions were answered. Our day was just so Perfect and ran so smoothly. Big Thanks to everybody on the day and behind the scenes who helped make it so so perfect, we wouldn't have changed a thing! Big Thanks to Bob for calming me and keeping us informed of things happening throughout our day. Big Thanks again for helping us have the most amazing day ever !! It will hold a special place in our hearts. Had so many lovely comments about the venue and the sun even came out later so we could get some pictures out the back on the grass.

Kathryn and Will

Our wedding was on 29th April, and it was fabulous. We dealt with a few lovely people over the last year, but notably Nicole, who was wonderful, really went above and beyond to answer every little random question I came up with. Everything went without a hitch (or with no hitches that I noticed!!), the food was excellent and someone even folded up the bunting for us before we collected all the decorations on the Sunday! Had so much good feedback on the reception. Will definitely be recommending.

Tanita and Steph

We just wanted to say thank you so much to you and all the team there. You made our day very special and we can't thank you enough. We will definitely be returning at some point for a stay!
